RE: CenturyLink QC¹ Public Notice of Copper Retirements Under Rules 51.325 –
51.335; No. 819

Dear Ms. Dortch:

Pursuant to Commission Rules 51.325 – 51.335, CenturyLink hereby submits for Qwest Corporation the attached Public Notice No. 819 for copper retirements associated with a wire center in Des Moines, Iowa. Copper retirements are necessary to respond to various factors, including in this context, a road move requiring adjustments in Outside Plant.

Enclosed with this correspondence are the following documents:

- Certification of Public Notice of Network Change Under Rule 51.329(a);
- Certification of Public Notice of Copper Retirement Under Rule 51.333;
- Public Notice of Copper Retirements, No. 819 (filed under Rule 51.329(a), with information required by Rule 51.327(a));
- Distribution List (of known interconnecting telephone exchange service providers); and
- Certificate of Service

These copper retirements each show an implementation date of June 15, 2019, and as referenced in the Certifications and Public Notice, No. 819 can also be viewed via CenturyLink's website (<http://qwest.centurylink.com/disclosures/>). Under Rule 51.329(c)(2), CenturyLink QC is filing its Public Notice and associated Certifications via the Electronic Comment Filing System, using the Submit a Non-Docketed Filing module.

¹ Qwest Corporation, the local exchange carrier, is wholly owned by Qwest Communications International Inc. (QCII). On April 1, 2011, QCII and CenturyLink, Inc. (CenturyLink) consummated a transaction whereby QCII became a wholly owned subsidiary of CenturyLink. Qwest Corporation is also referred to herein as CenturyLink QC.
